POSTAL LEAGUE

With the indoor season nearly over it would be fair to say that the postal league results make fairly grim reading – the compound team put in a fairly good performance, however the recurve results weren't so good:

December	Glen	1089	Vs	1090	Ditchling 'B'
January	Glen	1124	Vs	1104	Savile Bowmen 'C'
February	Glen	1057	Vs	958	Elite Bowmen 'B'

Recurve:

	Glen 'B'	1942	Vs	2498	Wakefield 'B'

AGM

As you should already know the club's AGM will be taking place on Saturday 13th May at the shooting ground. A separate notice regarding this is included with this newsletter. It'd be nice to see more members turn up to this. Remember we'll be voting on issues concerning the running of the club. You can't complain about the decisions made if you didn't turn up to vote!

FITA

This brings me nicely on to the next point – the Open FITA. This'll be taking place on Sunday 14th May. Those of you who do attend the AGM are more than welcome to lend in hand with setting the field up after the AGM. Also I'd be ecstatic if anyone would be willing to come and help on the day. Duties include raffle ticket selling, catering, running slip collection, target moving, etc, etc. If you're not shooting at the event (and I know very few of you are), then it'd be nice if you'd come and help out. The tournament won't run itself! Drop me a line if you can make it - email address is on the website or phone me on 0789 0520544. Also, if you've got anything lying around the house that's not doing anything feel free to bring it along for the raffle (no teenagers!).

WORK WEEKEND

The work weekend took place a couple of weekends ago. We had a better turnout than in previous years, which was excellent. Lines were repainted, ditches were cleared, fencing was repaired and the biggest job of them all was given a good boost – the building of the new toilets. If you've not been down to the clubhouse recently you won't have seen the work underway. The old indoor toilets have been ripped out and are currently being replaced with some brand new ones. Work should be completed in the near future.

I don't have a full list of members who attended, but you know who you are – thank you for all your hard work. For those who didn't attend (and again, you know who you are) I'm sure we were in your thoughts this weekend.

BALLOON LAUNCHES

The club have given permission for an Alzheimer's charity to use our field as a launch site for balloon flights during the summer months. All launches should take place before 8am so shouldn't interfere with shooting (hope not for their sake!).

OPEN DAY

The bank holiday on the 1st May will be our usual Open Day. This is a chance for people to come and give archery a go and sign up for a beginner's course if they enjoy it. As such, feel free to come and lend a hand or head for the other end of the field and show off your skills with a bow.
